Quality, Patient Safety & Clinical Risk Conference

Focus for the Day ***“Quality Improvement in Clinical Risk and Patient Safety”***

Monday the 12th of September 2016

Venue: Conference Centre, Dublin Castle

09:30am-17:00pm (Registration from 09:30am)

CPD points will be awarded for attending this conference

National and international (USA & UK) experts will present on quality improvement. There will be experts from medicine, surgery, obstetrics and medico-legal and a representative from patient advocacy.

The Irish healthcare sector is striving for better outcomes for our patients.

This conference will address the current challenges and future ambitions that will help inform and shape the Irish healthcare landscape.

Abstracts Invited for Quality Improvement Projects

We invite you to submit abstracts for posters on Quality Improvement projects from your Healthcare Organizations which are currently being implemented or have been implemented. Posters will be displayed in the conference centre, judged by an expert panel and prizes awarded (1st, 2nd, 3rd).

Closing date for abstracts: September 1st 2016:

Please note places are limited so please register early to avoid disappointment.

To register for the conference, submit abstracts or have any queries, please forward your name, discipline and place of work to: QPSClinicalRisk@ntma.ie

A finalised programme will be available in the coming weeks
