### **Introduction**

The aim of this workshop is to provide an outline on all stages of the psychosocial risk assessment specific to critical incidents to appropriate statutory bodies and other relevant organisations who are participating in the pilot of this tool.

### **What will be covered?**

An overview of the concerted work from the key stakeholders on the development of this risk assessment and the proposed guidelines that are key to addressing critical incident stress in the workplace will be provided by:

- *Mr. Pat Kirwan, Deputy Director of the State Claims Agency;*
- *Mr. Gerard O'Flynn, Chair of CISM Network Ireland;*
- *Ms. Patricia Murray, Health and Safety Authority.*

Presentations will outline the step by step guidance for each stage of the risk assessment. These will be provided by:

- *Dr. Robert Kerr, University of Ulster - Work Positive Tool;*
- *Sharon Gallagher, Project Co-ordinator - Stages of the Psychosocial Risk Assessment Tool.*

### **Who should attend?**

This workshop is targeted at organisations who have signed up or who are interested in participating in the pilot of the psychosocial risk assessment tool.

**THANK YOU**
